

REFLECTION

Dear Parishioners of St. Joseph,

Christ is risen. He is truly risen! God's love has conquered all! His is a love that cannot die and our life is given the opportunity to change. All things are made new. And with him we arise from a world of death into his wonderful life. Today is the time we stop talking about practicing our faith more and just do it. Today, may all renew our faith in Jesus and his Resurrection. We reaffirm with the total conviction of our hearts and minds that Jesus is truly raised and we affirm and promise that we will live this belief out in our lives with all of our being, for love of God and love of neighbor as ourselves. The Easter message for all of us is the good news that there is more within us than we know. Hopefully, that is what now brings so many back to our Mother Church, particularly during her birthday time: Easter. Hopefully, that will bring us all here each and every Sunday, those special days that are in themselves little Easters.

Christ is risen! He is truly risen! Alleluia.
